2025

PRS Green label

Certificate of appreciation

In recognition of your contribution to a more sustainable world,
by actively participating in the circular PRS network.
Together, contributing to a better environment.

You qualify for the PRS Green Label Certificate when you score a recovery rate higher than 65%. The bigger your sustainable impact, the more 'Return Stars' you can earn.

1 Return Star

Signature

Frank Dobbelsteijn Managing Director PRS

This certificate recognizes clients of PRS for achieving high pallet return rates within our pooling environment. It is based on internal data and intended solely for informational and promotional use, not as an official environmental certification or third party endorsement. This certificate is not independently verified by a third party. Please visit www.prs-pooling.com/sustainability/green-label/ for more information and full disclaimer. Use of this certificate in communications, marketing, or reporting to third parties is the sole responsibility of the respective company. PRS accepts no liability for any claims or damages arising from its use or interpretation by third parties.

This certificate is awarded to:
